Glam & Glitz Woman's Boutique

ESSENTIAL ELEMENTS FOR YOUR WARDROBE

A GIRL SHOULD BE TWO THINGS: classy and fabulous. Glam & Glitz Boutique was founded on the idea of helping each modern-day woman who walks in to leave with a fashion forward style, all the while feeling like it's a part of her style family.

Glam & Glitz offers a variety of effortless styles and price points in both apparel and accessories for savvy shoppers of all ages. The doors opened in the downtown Barrington Community on February 1, 2017. If the name sounds familiar, it is because they have an existing location in Naperville. With Barrington's charming downtown it was an easy attraction for G&G to be a part of this vibrant community.

The effortless styles that Glam & Glitz offers come in a wide and rich variety of designs with more than 20 different labels. If it is a graduation party, cocktail dinner, or a night out on the town in Barrington—this where you will find the essential elements for your wardrobe.

Angel Herzberger, the boutique's owner, comes from a history of entrepreneurs in Naperville. It's with her passion for business combined with her love for fashion that has made Glam & Glitz Boutique a perfect fit with women. Jamie Irvin, store manager, also lives in Naperville and has a broad background in both retail and management. Their combined efforts along with their welcoming and dynamic style team are overjoyed to be a part of our quaint community.
