The Coat Check

THE SEASONAL FURCAST for Barrington and beyond calls for rich color, bolder silhouettes, fab accessories, and donning the perfect fur, shearling, leather, down, or fine fabric coat that's both fashionable and practical.

COLOR COATED

As fall turns to winter, it's time to brighten up your days and nights with colorful outerwear. This season's palette includes rich jewel tones—amethyst, sapphire, ruby, and topaz; as well as vibrant hues—hot pink, sky blue, and multi-colored mixes of bright rainbows and psychedelic tie-dyed patterns.

SUPER CAPES

Toss on the super style that transforms any outfit. Choose from fox, mink, or sheared fur trims; rhinestone or crystal embellished; wear it poncho style, draped over shoulders, or wrapped in luxury. A cape will easily pair with denim or your favorite LBD to take any outfit from ordinary to extraordinary.

COOL LEATHER/Haute SHEARLINGS

Always a classic choice for outerwear, this season, for him or her, leathers and shearlings are updated with new treatments (brushed with gold finish), bolder silhouettes (an oversize moto jacket), playful patterns (colorblock or striped), and get-noticed hardware (big shiny zippers or collar cinching buckles).

THE LITTLE EXTRAS

FUNctional accessories personalize your style statement in a perfectly practical way. Choose: a rainbow colored fox and leather trooper hat, a multi-color detachable fox collar, knit caps with fluffy fox poms, toasty cashmere lined leather

gloves, fur, or chenille scarves, belts with bling, a colorful fur purse charm/key chain, or super-sized fur totes.
