CHRISTINA CURRIE EVENTS ANNOUNCES ITS
NEW LITTLE DREAMER CORPORATION

CHRISTINA CURRIE, of Christina Currie Events and daughter Ava Currie have founded Little Dreamer, Inc. Little Dreamer is excited to bring the joy of a birthday party to deserving children in the District 220 boundaries and Saint Anne Elementary School to shoot for the stars, one cupcake at a time.

Little Dreamer's mission is to bring a personalized birthday party to a District 220 and/or a Saint Anne School student who has demonstrated commitment to their education and home life. The charitable foundation works towards throwing an annual party that falls within the school year calendar, for a young one who "dreams big."

"We believe that every child should experience at least one special birthday party in their youth," Currie said. "I really hope to make a difference, one

child at a time." Ava Currie says that she knows not all area children have an opportunity for a special birthday party, and she wanted to help.

To be considered for a dream birthday party, applicants must include a 150 to 300-word essay on why they feel they, or their Little Dreamer, should be granted a birthday party and a 100-word essay describing the perfect party. Contest rules and entry deadlines will be announced at the beginning of the 2017-18 school year throughout District 220 and Saint Anne schools. Applications, rules, and regulations are available online at www.little-dreamer.org

Barrington area professionals have stepped up to help the new organization. The Little Dreamer website is in development with Maureen Roberts of Signature Graphic Design, Kelleher & Buckley is

handling the legal, and Alexis Portugal will handle the accounting.

Little Dreamer Corporation is motivated by the generosity of local providers—vendors and individuals who are able and willing to donate birthday party supplies. All donations are tax deductible. A variety of sponsorship opportunities are also available. For more information or to help, contact Christina Currie at 224-558-1764.

In 2017, founder, Christina Currie, a private event planner in the Chicagoland area, realized that some children aren't given the opportunity to experience a special birthday party. Christina and her daughter, Ava, wanted to give back to a younger generation, so the vision of Little Dreamer came to be.
